

Ipsum Drainage (Scotland) Limited - Drainage Operator (Civils), Hillington, Glasgow

The Company

Our vision is to be the leading customer service focused provider of specialist utility and infrastructure solutions operating on both public and private networks. Providing great customer service is at the heart of what we do, and our commitment is to deliver this safely and innovatively through our highly skilled teams.

We're always looking for people who are passionate about delivering outstanding customer service and who take pride in delivering essential services 24/7/365 that really make a difference to local people and communities.

We are committed to supporting and developing our people to achieve their full potential. If you join us, as well as learning on the job, we offer structured learning in the form of apprenticeship programmes and sponsoring relevant professional qualifications. If your qualification gives you membership of an accredited professional body then we will reimburse your annual membership fee. Investing in our people and enhancing our expertise and flexibility enables us to deliver the highest standard of service to our customers.

We really value our people and so we like to look after them. In addition to an attractive salary, if you work for us, you'll enjoy a range of employee benefits which you can explore more about by visiting our website www.ipsumutilities.com

The Role

Based from our recently refurbished depot premises in Hillington Park, Glasgow you will be part of large and cohesive operations team working across Scotland and providing essential drainage solution services to a variety of clients ranging from National blue chip companies to independent and private clients.
